Subject: Fuel Leak Case RO219- UNOCAL #5043, 449 Hegenberger Rd., Oakland

Mr. Nowell:

I spoke with Antea Group's legal council (Mark Vargo) concerning the email that we received yesterday from Mr. Beretta on August 11, 2014. After our discussion we agreed that today's conference call should be cancelled. Due to the delays' in trying to gain access to Mr. Beretta's property Antea Group is going to move forward with the two boring across Hegenberger Road and the one in Hegenberger Road as proposed in our previously submitted work plan. In the mean time we will continue to try and work to gain access to Mr. Beretta's property. Don't hesitate to contact me if you have any questions.

Best Regards,
