Good Morning Mr. Nowell:

Lately I have not be receiving documents that I have found on GeoTracker for the three above referenced locations. Each of the documents that have been uploaded indicate that they were sent to me via email, but the email address listed is not correct. My email address is dennis.dettloff@anteagroup.com. Also I wanted to let you know that Shane Nolan no longer works for Platinum Energy. The current contact for Platinum Energy for these three sites is Rick Yost and his email address is provided below. ryost@platinum-energy.net Don't hesitate to contact me if you have any questions.

Best Regards,
