The timely completion of this work is crucial for Antea Group to meet contractual milestones and timelines.

As of today, it has been more than sixty (60) days since the work plan was submitted to your agency for review and comments. Therefore, in accordance with Title 23, Division 3, Chapter 16, Article 11, Section 2722 (e) of the California Code of Regulations, this letter is being submitted to inform your agency of Antea Group's intent to proceed with the work described in the above referenced work plan.

Sincerely,
