**End:** Mon 6/16/2014 11:02 AM

**Duration:** 2 minutes

Called Mr. Dennis Dettloff, ANTEA consultant for RO219 – 449 Hegenberger Rd, Oakland. Mr. Dettloff had left a voice mail message regarding the proposed excavation at the site. He was inquiring if a work plan needed to be submitted for gathering geotechnical information. I said it was and should include a figure of the proposed boring locations and soil/groundwater management for the active fuel leak case.
