Subject: Notice of Enforcement Referral; Fuel Leak Case No. RO0000227 and GeoTracker Global ID T0600102251, Breckenridge Auto Shop, 6045 San Pablo Ave., Oakland, CA 94608

Dear Mr. Hill:

This is a notice of an enforcement referral for the subject site. Site Responsible Parties are non-responsive to Alameda County Environmental Health (ACEH) requests and are recalcitrant. As a consequence, ACEH is referring this site to the San Francisco Bay Regional Water Quality Control Board for enforcement actions.

Site Background

The underground storage tanks (USTs) were reported to have been removed from the property in the 1970's by a previous owner. In 1992 a waste-oil UST was removed but no reports or sample results were submitted. The locations of these USTs are unknown. Up to 6,600 µg/L TPHg, 45,000 µg/L TPHd, and 150 µg/L benzene was detected in groundwater. No MTBE analysis has been performed and the lateral and vertical extent of contamination is undefined. Additional work was requested by ACEH on March 1, 1999 and a notice of violation was sent in July 2011. On July 3, 2008 ACEH requested the site be claimed in Geotracker. The site was not claimed and ACEH issued a notice of violation on February 14, 2011. No response has been received.

Should you have any questions, please contact me at (510) 639-1287 or send me an electronic mail message at barbara.jakub@acgov.org.
