Subject: Work Plan – Surfactant Infiltration and Batch Extraction
76 Service Station No. 5325
3220 Lakeshore Avenue
Oakland, California
Fuel Leak Case No. RO0000229

Dear Mr. Nowell:

On May 11, 2012 Antea™Group submitted a work plan to your agency for the application of surfactant and batch extractions as a remediation option for addressing the impacted soil and groundwater beneath the site. The timely completion of this work is crucial for Antea Group to meet contractual milestones and timelines.

As of today, it has been more than sixty (60) days since the work plan was submitted to your agency for review and comments. Therefore, in accordance with Title 23, Division 3, Chapter 16, Article 11, Section 2722 (e) of the California Code of Regulations, this letter is being submitted to inform your agency of Antea Group's intent to proceed with the work described in the above referenced work plan.

If you have any questions concerning this submittal, please contact us at (800) 477-7411.

Sincerely,

ANTEA GROUP

Dennis S. Dettloff
