Finally spoke with Mr. Sam Ng re fuel leak case RO229 – Lakeshore Unocal, 3220 Lakeshore Ave, Oakland- as we have been trading messages. Mr. Ng is in the process of acquiring a loan for the property and needs a closure letter for the loan. I informed him that an investigation may be needed prior to closure and that I anticipate closure to be at least one year away, based on if the study is needed and subsequent findings of the study. Next step is for a meeting with ACEH & RP for moving project forward.
