Gowri,

Thank you for the notification. Please keep me informed as to your progress as I would like to visit the excavation when you are nearing the planned limits or encounter anything unusual. At a minimum, I would like to visit the excavation prior to confirmation sampling.

Jerry:

This is to inform you that we have tentatively scheduled excavation of impacted soil at former USA station 57, located at 10700 MacArthur Blvd., Oakland, CA, beginning Wednesday July 28, 2010.

Please contact me if you have additional questions or concerns.
