RE: USA Gasoline Station #57
10700 MacArthur Blvd.
Oakland, California

Dear Mr. Chen:

Please find enclosed, a copy of the Soil Sampling Report and documentation on the underground storage tank removal activities at the above referenced site. This report was prepared by Western GeoEngineers for USA Gasoline Corporation.

If you have any questions please call me at (818) 865-9200 Ext 214.

Thank you.

Sincerely,

Srikanth Dasappa
Environmental Engineer

Gibson Environmental

This letter is to inform you that Gibson Environmental has accepted your material for recycling.

Gibson certifies that the material received on the manifests indicated below has been properly treated and recycled.

Date	Manifest	Movement	Quantity	UOM
07/23/94	93620438	00102497	1,116	GAL

If this information does not agree with your records, please notify us within ten days so we can resolve any discrepancies.

Generators, know your wastestream. Gibson Bakersfield is only permitted to accept the following wastes that are varying combinations of oil, water and solids under California Waste Codes 221, 222, 223, 241. In addition, Gibson at Bakersfield may accept waste codes D004 through D043.

For information as to approved codes for Gibson's Wilmington and Redwood City facilities, please call (800) 582-3935.

This notice is required by the Department of Toxic Substance Control.
