Paresh,

I was here at ACC in 1995 but never worked on the Willie Everidge site. All work was done by Misty Kaltreider. As I recall from 1995, Willie and his wife were going through a divorce and it was unclear which of them was taking the asset of the site at 1211 7th Street. The last I heard Willie Everidge was going to declare bankruptcy and we looked into doing more investigation work directly for the UST Cleanup Fund, but nothing came out of it.

As far as I know, ACC has had no further communications with Willie Everidge after early 1996. You may want to talk with Misty over at Solano County Health but that is what I remember.

Dave
