

Claim No: 10532	Claimant Name: Willie Everidge
-----------------	--------------------------------

COMPLIANCE DOCUMENTATION	
DATE	ACTION/RESPONSE
10/92	Three 4K gallon USTs removed (Gasoline) One 350 gallon Waste Oil UST removed
9/94	Drilled out borings
1/95	Piping and dispensers are removed.
6/95	County received a report on subsurface site investigation - up to 7K ppm TPH and 37 ppm benzene (B34) Water had NO or trace concentrations in B1, B5 and B6. Low concentration in B3. Main hit in B7 (37K ppb TPH and 7100 ppb benzene) pit has been backfilled.
2/96	County requested monitoring wells. Work plan disc. 3/23/96.
8/8/96	County review. Nothing done since 1/95. Claimant is low on funds.
8/13/96	Spoke with Jennifer Eberle. She and the district attorney have had difficulty getting cooperation from Mr. Everidge, so she decided as of happy medium we would request Mr. Everidge, to select 3 bids for the installation of the monitoring wells, select a consultant and enter into a contract before we will sign off for a Letter of Commitment.
10/96	Mr. Everidge has solicited three bids. He has only received proposals from two consultants. Bids were submitted to Grand's engineering staff. Low bid looks good.
