Phone call with Norm Stone of Dean Foods. Dean Foods may re-sample the existing well based on request from current land owner. Re-sampling is not something we request but I indicated that I did not have an objection to re-sampling. It would not be reimbursable by Cleanup Fund since not requested by us. OK to request schedule extension for decommissioning well. Will not require a Work Plan since work is being conducted on their own but I suggested that they evaluate re-development and take measures to assure that a representative sample is collected. If well is to be re-sampled, results are to be provided to ACEH.
