Dennis Laduzinski calls back with the answers to my questions. The Brownfields money must be encumbered (spent) by the end of September or they lose the funding.

Plans for development are as follows. Commercial for 800 Cedar St., 7th and Pine, 6th and Castro and mixed commercial residential for the 500 Kirkham property. Dennis did not have the layout for these properties and was not sure if residences would all be on the top floor of the commercial building if there would be a mix of commercial and residential on the bottom floor of the 500 Kirkham property.
