Dear Mr. Nowell – We are tentatively scheduled for groundwater sampling tomorrow.

End of January should be sufficient to generate the report. Please let us know if you approve our extension request.

Thanks,

Dear Ms. Arceneaux,

Does this mean a two week extension to the end of January is more in order for the 4Q15 monitoring event?

Regards,  
Keith Nowell

Dear Mr. Nowell,

We are requesting an extension to the due date for the fourth quarter 2015 Groundwater Monitoring Report currently due January 15, 2016. When we attempted to conduct sampling this quarter, we discovered that the site was under construction and we were not able to sample. We are requesting an extension to **March 1, 2015** to give time for construction to be completed, sampling to occur, and for us to generate the report.

Please feel free to contact me if you have any questions.
