Conestoga-Rovers & Associates (CRA) prepared this letter on behalf of Equilon Enterprises LLC dba Shell Oil Products US (Shell).

CRA was unable to conduct annual groundwater monitoring and sampling as planned during fourth quarter 2014 due to service station remodeling construction. The station has now reopened and we understand that construction is nearly complete. We have tentatively scheduled a groundwater monitoring and sampling event for late February 2015.

If you have any questions regarding the contents of this document, please call Peter Schaefer at (510) 420-3319.

Yours truly,
