Re: Personal Certification Verifying Fact Sheet Mailing, Atlantic Richfield Company Station #608,
17601 Hesperian Boulevard, San Lorenzo, Alameda County, California;
ACEH Case #RO0000255

Dear Mr. Khatri:

On behalf of Atlantic Richfield Company (a BP affiliated company), Broadbent & Associates, Inc. (BAI) is verifying the mailing of the *Fact Sheet on Environmental Assessment for ARCO Station #608*. ARCO Station #608 is located at 17601 Hesperian Boulevard in San Lorenzo, Alameda County, California and corresponds to Alameda County Environmental Health (ACEH) Case #RO0000255 and GeoTracker Global ID #T0600100085. The *Fact Sheet on Environmental Assessment for ARCO Station #608* was provided by ACEH in their letter dated 29 October 2010. I certify that on 9 November 2010, this fact sheet was mailed with first class postage via the US Postal Service to the List of Recipients provided by ACEH in the 29 October 2010 letter.

The *Fact Sheet on Environmental Assessment for ARCO Station #608* solicits public comments on the proposed closure of ACEH Case #RO0000255. During the public comment period, BAI will record and compile public comments received and forward them to the ACEH for your review and consideration. BAI understands that following the public comment period, the comments received will be reviewed by the ACEH and considered prior to issuance of a Remedial Action Completion Certificate.

Should you have questions regarding this submittal, please do not hesitate to contact me at your earliest convenience at (530) 566-1400.

Sincerely,

BROADBENT & ASSOCIATES, INC.

Thomas A. Venus, P.E.
Senior Engineer
