Subject: ARCO 608/RO255 Well Search Request

Hi Paresh,

To proceed with your 10/27/11 directive letter to abandon wells associated with ARCO Sta.608 (ACEH Case RO255), we would like to check the DWR and ACPWA records regarding whether the wells have already been decommissioned or are still in existence. To that end, might you please process the attached DWR Form: *Well Completion Report Release Request and Confidentiality Agreement, Regulatory-Related Environmental Cleanup Study?* Please sign, date and return to us for forwarding to DWR and ACPWA.

Thank you for your assistance in this matter.

Tom Venus, PE

**WELL COMPLETION REPORT RELEASE REQUEST AND CONFIDENTIALITY AGREEMENT
REGULATORY-RELATED ENVIRONMENTAL CLEANUP STUDY**

Well Completion Reports associated with wells located within two miles of an area affected or potentially affected by a known unauthorized release of a contaminant will be made available upon request to any person performing an environmental cleanup study associated with the unauthorized release, if the study is conducted pursuant to a regulatory agency order (Water Code Section 13752).

Requests must be made on the form below, signed and submitted to the appropriate DWR District Office. Please provide the township, range, and section of the property where the study is to be conducted. Attach a map or a sketch with a north arrow, and provide as much identifying information requested below as possible; additional paper may be attached if necessary.

By signing below, the requester acknowledges and agrees that, in compliance with Section 13752, the information obtained from these reports will be kept confidential and will not be disseminated, published, or made available for inspection by the public. Copies obtained must be stamped **CONFIDENTIAL** and kept in a restricted file accessible only to authorized personnel. These reports must not be used for any purpose other than for the purpose of conducting the environmental cleanup study.
