Jerry:

I wanted to give you an update on the status of acquiring access to the basement of 1445 Harrison St. The details have been agreed upon by Mr. Borsuk and the Davis Coit Apartment owners. What is occurring now is a requested change to the contract between CRA and Mr. Borsuk regarding insurance matter to insure complete coverage in the event of some unforeseen incident during onsite work. CRA's legal counsel has reviewed Mr. Borsuk's draft and returned it to him for his review. Both Mr. Borsuk and CRA are anxious to resume work to complete the investigation requested in your July 19, 2010 letter. I will advise you when the final agreement and contract modification has been completed and provide you with a tentative schedule at that time.

Thanks for your patience as we work towards completing the requested tasks.
