David and Kiersten,  
Thanks for the updated timeline and notification that field work will commence "soon". Please use this email should you need to document the extension to July 14, 2017 for the site deliverables. I've updated Geotracker already.

**Subject:** Case No. RO0000274, Former Chevron 93322, 7225 Bancroft Avenue, Oakland - Site Investigation Report - Final Extension Request

Hi Mark,

GHD on behalf of Chevron Environmental Management Company (CEMC) would like to request an extension for the *Site Investigation Report and Updated SCM* requested by Alameda County Environmental Health (ACEH) letter dated July 1, 2016. The City of Oakland (City) processing time for obtaining an encroachment permit is lengthy. After numerous months, the City has issued the minor encroachment permit. Due to staff and subcontractor schedules, the well installations are scheduled for June 6-7, 2017. To allow time to receive the analytical data and prepare a report, GHD respectfully requests a due date of **July 14, 2017** for the *Site Investigation Report and Updated SCM*.

Thank you,  
Kiersten

**Kiersten Hoey**
