Hi Charlene,

I am the case worker for this site and was asked to arrange a meeting with you, the responsible party, and the consultant to discuss the path forward for this site as per your discussion with Dilan Roe on the phone today. We were previously contacted by Mr. Paul King about a month ago on behalf of a potential buyer for the property. Please confirm whether Mr. King should be included in the meeting.

Please propose several dates and times for a meeting at our office in Alameda. We look forward to assisting you with this project.
