Hello Ms. Jakub,

We are responding to the July 3, 2008 ACDEH letter regarding the LUST Case # RO0000282 GeoTracker status. We have requested the site online at GeoTracker, pending the Authorization form being signed by the responsible person (RP) and faxed to GeoTracker. The RP is out of the country until next Thursday, and the deadline given in the ACDEH letter was today, August 15, 2008. Please let us know if there is something else we can do in the interim and thank you. Also, if there are any additional pages to the ACDEH letter, or any additional correspondence could you send them to us?

Best regards,
