Subject: Re: RO0000289 Request for Extension to Submit Technical Report

Christina,

Based on your request, the schedule for report submittal for case RO289 is extended to November 10, 2014.

Regards,
Jerry Wickham
Alameda County Environmental Health

Good morning Jerry,
Owens-Brockway has a technical report "Remedial Excavation Report" due today. The report is complete and in the process of client review. In order to incorporate all comments we are requesting an additional week to complete the report. As such we are asking to extend the due date to November 10, 2014. Please let me know if this would be acceptable. If you have any questions please feel free to contact me.
