Hi Ben,

I am in receipt of a laboratory analysis report for one soil sample collected on September 29, 2016. The sample was collected following an upgrade to a fuel dispenser at the subject site. I look forward to receiving the report documenting the upgrade activities.

Please upload the report to the Alameda County Department of Environmental Health (ACDEH) ftp site (Attention: Keith Nowell), and to the State Water Resources Control Board's (SWRCBs) Geotracker website

Thank you for your cooperation. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Respectfully,
Keith Nowell
