Olivia,

No revision is needed. The items on page 2 refer to conditions at the time the closure summary is initiated. Well destruction is documented on the last page of the closure summary.

Regards,  
Jerry Wickham  
Alameda County Environmental Health

Jerry;

I'm not sure how to do this; on reviewing the closure paperwork, I noted one item which should be corrected, so that the record matches the work we just did.

Thanks very much.

Olivia
