Jeff,

ACEH concurs with the new soil vapor sample locations. Please notify us at least 3 days in advance of any work at the site and submit the SWI by May 20, 2012 as previously requested in ACEH's February 2, 2012 directive letter.

Also, please re-upload the work plan addendum with the required perjury letter.

Regards,

Barb Jakub

Hi Barbara,

Attached is our letter discussing the revised soil vapor sample locations. I will also upload it to the ACDEH ftp site.
