

CONTACT LOG (3070 Fruitvale Ave., Oakland)

- 11/17/99 Contacted Barbara Szyminski, Gertler-Ryan, (925) 551-7555. Asked her whether any work had been conducted at the site after the tank removal in Aug April '98. Also, mentioned that the Sample ID #'s in the text of the Aug. 10 '98 report did not match the Sample ID #'s in the lab analyticals. She stated that she would get back to me.
- 11/17/99 Called & left message for Dave Yossler, 415-893-1515, after speaking to Barbara Szyminski again. Ms. Szyminski stated the lab analyticals w/ the Aug 10 '98 report are for a different site, & that she would mail the correct ones.
- 11/17/99 Called Dave DeWitt, Tosco, 925-277-2384. Asked if he could look into whether any work was conducted at the site subsequent to tank removal. He stated that he would get back to me.
- 11/28/99 Dave DeWitt called & stated that no work was done beyond the tank removal.
- 12/07/99 Clyde Galantini, Gertler-Ryan, 1-925-551-7555, called to say that he has started preparing w.p. Discussed the fact that the nearest monitoring wells ^{to} the site are at 2964 Fruitvale, & if these wells are over 200' away, they cannot be used for site's gradient.
