Kasey,
That would be fine. Please use this email as confirmation of the extension.

Subject: FW: German Autocraft - 301 E. 14th Street in San Leandro

Dear Mark,

The results report for the soil excavation at the subject site is nearly complete; I am just awaiting the final soil compaction report from the geotechnical firm that did the testing and then it will go to our senior staff for review. You had requested that the report be submitted by August 1, 2011. I need to request an extension of three weeks to insure that we remain compliant with your directive.

Sincerely,

Kasey L. Jones
