AEI Project No. 112779

Dear Mr. Plunkett:

We are in receipt of your letter dated June 22, 2006 which is written comment on the workplan dated March 7, 2005 for site investigation activities at the above referenced property.

We have reviewed the letter with the property owner, Mr. Bill Phua, who had been out of the country of late. We are requesting an extension of the stated deadline of August 1, 2006. It is expected that approximately 60 days will be sufficient time to complete the field work and reporting and propose a revised deadline of October 3, 2006.

We trust that this will be acceptable and appreciate your consideration in this matter. If you have any questions in the meantime, I can be reached at 925/283-6000, extension 104 or at pmcintyre@aeiconsultants.com.

Sincerely,
AEI Consultants
