DISCUSSION:

In a letter dated 16 October 2008, ACEH requested the completion of a soil and ground-water investigation as previously approved in the ACEH letter dated 22 June 2006. The approved *Work Plan – Monitoring Well Installation, 1450 Fruitvale Avenue, Oakland, California* had been prepared by AEI Consultants for Fruitvale-Farnam Associates, LLC and was dated 3 March 2005. Atlantic Richfield Company has been working to gain access to the Site property owned by Fruitvale-Farnam Associates, LLC. In mid-September, Mr. Bill Phua (managing member of Fruitvale-Farnam Associates, LLC) contacted Mr. Chuck Carmel, requesting that Atlantic Richfield Company negotiate property access through his attorney Mr. Ken Phares. Mr. Phares has since indicated that he will be submitting a revised access agreement in the near future for consideration by Atlantic Richfield Company. Further status updates will be provided to ACEH when new developments or information becomes available, but at least on a quarterly basis.
