Hi Barb,

As we discussed by telephone, Trinity Source Group, Inc., is requesting an extension for submittal of the Soil Vapor Work Plan for the referenced site. The Work Plan will include the well survey requested by Alameda County Environmental Health.

We request that the submittal date for the Work Plan be changed from October 31, 2009 to November 20, 2009.

Thank you for your assistance in this project.

Regards,
Debbie
