**Subject:** notification of field work, Fuel Leak Case No. RO0000314, former Fiesta Beverage site

Hi Barb,

Trinity is planning to conduct soil vapor and sub-slab probe installation at the former Fiesta Beverage site, 966 89<sup>th</sup> Avenue, in Oakland, on this Thursday, July 15, 2010.

Dan Birch will be the geologist onsite conducting the installation.

Please contact Trinity with any questions. We will inform you of the sampling date after the installation is complete.

Thank you,  
Debbie
