Environmental Health

Dear Ms. Johnson:

**PETITION OF MASH PETROLEUM, INC. REQUESTING REVIEW OF DENIAL OF SITE CLOSURE BY ALAMEDA COUNTY ENVIRONMENTAL HEALTH DEPARTMENT FOR SITE AT 5725 THORNHILL DRIVE, OAKLAND, CA: MOOT PETITION SWRCB/OCC FILE P08-236**

On May 16, 2008, you filed the above-referenced petition with the State Water Resources Control Board (State Water Board). The petition sought State Water Board review of the denial of underground storage tank (UST) case closure dated April 15, 2008, that was issued by the Alameda County Environmental Health Department (Alameda County). Pursuant to your request, the petition has been held in abeyance.

According to records contained in the Geotracker database, the UST case was closed by Alameda County on December 8, 2008. Since the UST case has been closed, the petition has become moot and the State Water Board will take no further action on the petition. If you have any questions about this matter, please contact me at (916) 341-5185.

Sincerely,

Lori Senitte Brock  
Senior Staff Counsel
