Subject: Notification of Case Closure for Livermore Gas & Mini-mart, 160 Holmes Street, Livermore

Hello Colleen & Matt,

Alameda County Department of Environmental Health (ACDEH) is considering case closure of the subject site. Public notification was conducted in November 2015 and no opposition to closure was received. However, it is not clear whether Zone 7 Water Agency was notified, as the case manager has moved on.

At this time, we would like to provide you the opportunity to review the case and provide comment regarding the pending case closure. The case file is available on the State Water Board's GeoTracker website (<https://geotracker.waterboards.ca.gov/>) and ACDEH's LOP website (<http://www.acgov.org/aceh/lop/findsite.htm>).

I look forward to hearing from you soon. Please do not hesitate to contact me should you have any questions regarding this email.

Sincerely,

Paresh C Khatri
