To: Wickham, Jerry, Env. Health

Subject: Fuel Leak Case No. RO0000324, Livermore Gas and Mini Mart, 160 Holmes St., Livermore Mr. Wickham

We received cost pre-approval from the UST Cleanup Fund for the additional site investigation work for 160 Holmes. We will start the permitting process immediately: boring/well permits and an encroachment permit for drilling in the city park.

Let me know if you have any questions.

James Allen, REAII
