Gus,

After I am able to review the Request for Closure and the case file, a meeting can be set up. I expect to review the case file within the next three weeks and will let you know when the review is completed.

Jerry, thanks for your time. We understand how busy you are... but my father and I would like to request and attend this meeting.  
Thanks for the special attention.  
Gus.

Jerry,

We would like to schedule a meeting with you regarding the current status of the environmental project at the subject property. Specifically, we want to discuss our Low-Risk Case Closure Evaluation submitted earlier this year and recent groundwater verification monitoring data. Is it possible to meet in the morning during the week of April 23? Please let us know which day(s) works best for you.

Thanks,

Joe
