Joe,

Good talking with you. As we discussed on the phone, we concur with continued quarterly groundwater monitoring for the site. Please submit groundwater monitoring reports no later than 30 days following the end of each quarter.

Joe,

I am in training or out of the office the rest of this week. I am available next week for a call on Tuesday am, 1/21 or Wednesday am or pm 1/22. Let me know a time that works on either of those days.

Regards,

Jerry Wickham

Hi Jerry,

I hope your new year is off to a good start. I just wanted to quickly touch base regarding the subject property. We are now within the 4th quarter of verification monitoring since implementing additional remediation in 2013. I'd love to set up a quick phone call to discuss next steps for this project. Are you free anytime this week?

Thanks for your time,

Joe
