Entry Type: Phone call

Start: Tue 9/25/2012 2:06 PM
End: Tue 9/25/2012 2:06 PM
Duration: 0 hours

Phone call with Joe Mangine of Allterra Environmental. Allterra has reviewed the radius of influence and is proposing only one additional injection well. They will submit cross sections with analytical data. A groundwater monitoring report and work plan will be submitted probably within the next two weeks. I will review the groundwater monitoring data for hex chrome and review the cross sections and proposed modifications to injection well screen intervals in the work plan.

Jerry Wickham
