Subject: RO337 California Linen Geophysical Survey Scheduled for 6/14 and 6/15/11

Hi Mark,

We obtained the City encroachment permit today for work in the public right-of-way. We are presently scheduled to perform the geophysical survey 6/14 and 6/15/11. Once we receive the survey results I will let you know if any of the proposed sampling locations in the street change. Please let me know if you have any questions. Thank you!

Paul
