Johnathan Lin returned my earlier call (voice mail) to provide contact information. Johnathan is listed as the RP for the RO338 General Transpotation site. He provided an address as PO Box 6441, Moraga, CA 94570. His email is Johnathan.limex@gmail.com. I informed him that we were sending out a letter requesting uploads of the well monitoring that should had taking place. Johnathan said his father had bought the property and that he thought they had settled with CalTrans. He was not sure of what was done but thought there were some reports. He asked how he could get the reports to us and informed him we'll be including instructions on how to upload his documents with our letter.
