All,  
Please use this email as approval of the extension request due to driller availability. It is understood that drillers were not available in November and that final drill timing details are currently being discussed for this work. Because this is a residence it is critical to collect good representative data.

**Subject:** Extension Request for RO 341 Modified Work Plan Chevron 9-1153, 3135 Gibons Drive, Alameda, CA

Mark,

Conestoga-Rovers and Associates (CRA) on behalf of Chevron Environmental Company (EMC) would like to request an extension for the Subsurface Investigation and Vapor Survey Report requested in Alameda County Environmental Health (ACEH) *Modified Work Plan Approval* letter dated August 15, 2011. The field activities outlined in CRA's *Modified Work Plan Addendum* dated September 9, 2011 and approved by ACEH on September 12, 2011 is currently planned in early November based on subcontractor ability. The analytical results will not be ready by the November 14, 2011 report request date. Therefore an a due date of **January 27, 2011** for the Subsurface Investigation and Vapor Survey Report is requested.

Thanks,

**Nathan Lee, P.G.**
