**Subject:** RO0341-Chevron 91153-3126 Fernside Blvd., Alameda - FS/CAP- Extension Request

Dear Mark and Dilan,

Conestoga-Rovers and Associates (CRA) on behalf of Chevron Environmental Management Company (EMC) is seeking Alameda County Environmental Health (ACEH) approval with regards to an extension request for the submittal of *Feasibility Study/Corrective Action Plan and Data Gap Plan* that was requested by ACEH in a letter dated December 16, 2014. The reason for the extension is, any form of corrective action that is determined, will affect the home owners. Due to this, we would like to ensure that the home owners are in both agreement and understanding to the activities involved with the corrective action plan. Another reason for the extension, is the change of EMC PM from Alexis Coulter to Mark Horne. During the time requested Mark Horne will familiarize himself with the corrective action options, but also interact with the home owners to discuss the selected options. Therefore, an extension of **May 15, 2015** for the submittal of the *Feasibility Study/Corrective Action Plan and Data Gap Plan* is requested.

Thank you.
