Kiersten and David,
Per your request and a typical City of Oakland timeline, I have extended the due date to August 4th as requested. Good luck with the permitting.

Subject: Case No. RO0000342, 1700 Castro Street Well Destructions Extension Request

Hi Mark,

GHD on behalf of Chevron Environmental Management Company (CEMC) would like to request an extension for the *Well Destructions* requested by Alameda County Environmental Health (ACEH) letter dated April 13, 2017. GHD and CEMC are working to obtain an encroachment permit with the City of Oakland to destroy the offsite well MW-7, located in the City right-of-way. To allow time to obtain the permit and prepare a report, GHD respectfully requests a due date of **August 4, 2017** for the *Well Destruction Report*.

Thank you,
Kiersten
