Subject: Fuel Leak Case No. RO0000344 and Geotracker Global ID T0600101469, Unocal #5760, 376 Lewelling Blvd., San Lorenzo, CA 94621

Dear Responsible Parties:

Alameda County Environmental Health (ACEH) has reviewed the case file including the most recent correspondence, dated December 20, 2013, and ACEH's most recent directive letter, dated June 13, 2013, for the subject site. ACEH would like to set up a meeting with you at our office in early August to discuss a review of the site's status in comparison with the State Water Resources Control Board (SWRCB) adopted the *Low Threat Underground Storage Tank Case Closure Policy* (LTCP).

Please provide ACEH several dates and times during which a meeting can be scheduled to discuss the path to closure for these cases. ACEH staff will select dates and times from your list. Please provide the list of available dates and times by **July 18, 2014**.

Thank you for your cooperation. ACEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Sincerely,

Keith Nowell, PG, CHG.
Hazardous Materials Specialist
