Subject: Request for Extension of Report Due Date - RO 0000354 725 Julie Ann Way, Oakland

Hi Paresh,

We have the Monitoring Well Installation and 2010 Semi-Annual Groundwater Monitoring Report prepared but the client is in the midst of a hectic travel schedule with multiple meetings in multiple cities and will not have time to review the report by the March 17, 2010 due date as specified in your December 17, 2010 letter. We are therefore requesting a week extension of the report due date to March 24, 2010.

Thank you for your consideration of this matter.

Eva
