I received a call from William H. McInerney, Sr. (attorney for property Owner) regarding the GeoTracker letter sent to the property owners. I explained that letter. Mr. McInerney was under the impression that Hertz/Penske had already completed cleanup activities at the site. I told him that we had sent a letter April 8, 2008 requesting a site characterization work plan due by June 6, 2008 and that the consultant requested a meeting. Mr. McInerney said he was going to write a letter to Penske regarding the GeoTracker matter.
