Phone call with Leon of Affordable Property Management 510-487-2583 ext 10. His client received letter dated June 10, 2010 requesting that they work out access agreement with the responsible party and environmental consultant conducting work at 22315 Redwood Road. They are requiring that other party accept liability for work on site. They see no advantage to their client to allow access and will draft a letter stating their position.
