To All:

Due to last minute scheduling conflicts we will need to reschedule the conference call on the calendar for today. Please provide several times and dates for the conference call to take place on or between March 8th through March 10th, or on or between March 15th through March 17th.

If these dates don't work, the next available dates are on or after March 29th.

Thank you for your cooperation. ACEH looks forward to working with you to advance this case toward closure.

Keith,

For our Thursday conference call to discuss the Low Threat Closure Plan (LTCP) and Path To Closure (PTC) plan, please confirm if Antea Group needs to provide conference call-in number & passcode, or if Alameda County-Environmental Health will do so.

Thanks,
Mike Martinson
