**Subject:** Electronic Submittal of Information, Fuel leak case RO359 - Dave's Station, 2250 Telegraph Ave, Oakland

Dear Ms. Robison,

Alameda County Environmental Health (ACEH) staff has reviewed our case file and is almost ready to release our closure documents. However, in order to issue our closure, ACEH will need to reference the site development plans reviewed at our meeting held on March 3, 2015. Therefore, ACEH requests submittal of the referenced document to the ACEH ftp and the State Water Resources Control Board's (SWRCBs) GeoTracker database by the date specified below. Upon receipt and acceptance of the submittal document, ACEH will proceed with closure of the subject fuel leak case.

### Technical Report Request

Please upload technical reports to the ACEH ftp site (Attention: Keith Nowell), and the SWRCB Geotracker website, in accordance with the following specified file naming convention and schedule:

- **May 24, 2016 – Site Development Plans** (file name: RO0000359\_DEV\_PLAN\_yyyy-mm-dd)

These reports are being requested pursuant to California Health and Safety Code Section 25296.10. 23 CCR Sections 2652 through 2654, and 2721 through 2728 outline the responsibilities of a responsible party in response to an unauthorized release from a petroleum UST system, and require your compliance with this request.

Thank you for your cooperation. ACEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at [keith.nowell@acgov.org](mailto:keith.nowell@acgov.org)

Regards,  
Keith Nowell
