Hi Barbara-

As discussed with you earlier today, we have submitted our Draft Site Investigation Completion Report for the above referenced site to our client for review and comment. Our client has been out of town for the past two weeks and is not due to return until the beginning of next week. Accordingly, we would like to request an extension on the submittal of the report until November 20, 2009 so that we can meet with our client and discuss their comments prior to submittal of the final report to the County. Please feel free to contact me with any questions or concerns. I look forward to hearing from you soon.

Regards,
