Jerry,

Per our telephone conversation on March 7, 2012, I request an extension of the due date for a pilot test work plan at the subject site from March 16, 2012 to April 13, 2012. Also per our conversation, Shell and CRA will not consider submitting a work plan for a soil vapor investigation until after the pilot test is completed.

Regards,

Peter Schaefer, CEG, CHG
